Dear Residents of Buckworth

Some of you may have noticed the appearance of plants in the waste bin next to the phone box.

The Parish Council have decided to fill the bins with plants following a decision by Huntingdonshire District Council to charge the council £252.64 per annum to empty the waste from the bin. The council hopes you find this an attractive use for the bin and would urge all residents to keep our village a pleasant place to live by taking their litter and dog waste home with them.
