The Council is responsible in law for ensuring that its financial management is adequate and effective and that the Council has a sound system of financial control which facilitates the effective exercise of the Council's functions, including arrangements for the management of risk and for the prevention and detection of fraud and corruption. These financial regulations are designed to demonstrate how the Council meets these responsibilities.

1.2 The Responsible Financial Officer (RFO) is a statutory office and shall be appointed by the Council. The RFO, acting under the policy direction of the Council, shall administer the Council's financial affairs in accordance with proper practices. The RFO shall determine on behalf of the Council its accounting records, and accounting control systems. The RFO shall ensure that the accounting control systems are observed and that the accounting records of the Council are maintained and kept up to date in accordance with proper practices.

1.3 The RFO shall produce financial management information as required by the Council.

1.4 At least once a year, prior to approving the annual return, the Council shall conduct a review of the effectiveness of its system of internal control which shall be in accordance with proper practices.

1.5 In these financial regulations, references to the Accounts and Audit Regulations shall mean the Regulations issued under the provisions of section 27 of the Audit Commission Act 1998 and then in force.

1.6 In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in Governance and Accountability in local Councils in England and Wales – a Practitioners' Guide which is published jointly by NALC and SLCC and updated from time to time. (2008)

3.3 The RFO shall regularly provide the Council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared at least at the end of each financial quarter.
